

**SEPTEMBER NEWSLETTER
VOLUME 1 ISSUE 4**

Fall Is Here!!

As Summer comes to a close, we can reflect back on those backyard BBQ's with friends, long lazy family vacations, and all too soon SCHOOL clothes shopping, new backpacks with the latest bling, school supplies, etc. And with all that, a little shouting in the mornings to "get up and ready for school", or "get to bed, you have school tomorrow". And then there is always the dreaded homework, and so it goes. Summer has come to an end.

District News

With that said, the Tres Pinos Water District is also heading into a new Era. It is now, and always has been our goal to make things more convenient for you, the customer. This Newsletter will be introducing our new software, ABS (American Business Software)

Our Office Manager, Gabby O'Donoghue and our Director, Mary Ann Hughes have been working diligently to ensure that all of our data is correct in both systems before total conversion takes place. It would be to your advantage at this time to send us updated information, more importantly, your e-mail address, as this will be the new method of mass contact.

A cool feature of ABS is that you will now be able to check your account as well as make your payments through the TresPinosWaterDistrict.org Website. To set it up, all you will need to do is go to the website listed above, click on bill payment and then, enable portal access. You will be prompted to enter your email address and account number, and then create a password. Easy!

Happenings

- Blessing of the animals at the immaculate Conception Church on October 5th at 1:30pm. Hope to see you there!
- The Immaculate Conception Church will also be having their annual Chicken BBQ on October 20th from 12pm to 5pm.
- Don't forget that The San Benito County Fair is October 3-6. Their theme this year is Sew it, Grow it, Show it! Its always a fun family event.

Information Efforts

We Will continue to provide information about the District on print media like this newsletter. Please call or come into our office if you have any questions or concerns.
